

"No Christian on the feast of Saint John or the solemnity of any other saint performs solestitia (summer solstice rites) or dancing or leaping or diabolical chants." Saint Eligius

Hmmm – that pretty much lets us all out, doesn't it? When you consider the "dancing or leaping or diabolical chants" part anyway.

SATURDAY June 21 Solstice Hash

Hare: Nacheaux Ass

Hash Cash: \$5

Start Time: 6:30 pm

Start Location: Lewisville – Parking lot behind the Tom Thumb at corner of 1171/Main Street and S. Garden Ridge Blvd.

Hash Directions: <http://dfwh3.org/calendar/2008/06-21.html>

Special Notes: It's crawling with snakes and infested with poison ivy. Lions, tigers and bears, oh my. It'll be **dark** and swampy. There'll be spiders. And ticks. And nachos. And la Luna will be smiling on us.

Bring a **flashlight**, Ivy block, *serpent staff*, pentacle, *chalice*, body paints, *wand*, change of clothes, *rubbing alcohol*, first aid kit, blah blah blah. You know the routine. This is your official *PI* and *SNAKE* warning. Watch where you put your feet and hands!

Doggie friendly. Tiny-sized (read: Lorenzo) may have to be carried on occasion.

Laberinto ritual más tarde durante Contra Hash.

Tal vez nos pondremos desnudo.
